DEAR CUSTOMER,

**NOW...** is when Your Customers  
should begin planting **CALADIUM BULBS** outside.

Their colorful leaves, ranging from deep red to pure white make a dandy border throughout the summer months.

These are the varieties and colors we recommend!

**CANDIDUM** - snow-white  
with dark green border & ribs.

**MRS. F. SANDERS** - large leaf  
splotted green and rose.

**MRS. EDITH MEAD** - snow-white  
with red ribs & green border.

**TRIOMPHE DE L'EXPOSITION** -  
velvety red center shading to  
a narrow green border
